## HOWDY!

I am a digital designer currently working both freelance and as an in-house UI designer for U-Haul International.

I have 4 years experience working in-house and 5 years working freelance. I love what I do and enjoy every moment that I am designing, illustrating or writing. I enjoy getting to know new people and would love to help you with any design work you might need!

## EDUCATION

DeVry University - Phoenix, AZ - 2014

BS Multimedia Design and Development  
Specialization in Graphic and Multimedia Design

## PROGRAMS

AI
