

Howdy, I'm Camille.

UI/UX | Digital Design | Illustrator

I bring a decade of diverse digital design experience, having worked as a freelancer and excelled as a UI/UX Lead in agency and in-house environments. My forte lies in empathizing with users, a skill I consider pivotal in my role. Passion fuels my work, and I thrive within collaborative, dynamic teams.

Experience

Skyhook Interactive, Remote — Art Director

Apr 2021 – Jan 2023

- Directed client meetings to shape web branding and style guides, followed by conducting post-launch training sessions on completed sites..
- Led UI design direction and created high-fidelity prototypes from content outlines and wireframes.
- Assumed leadership as the primary designer for contract employees.
- Built responsive WordPress sites using Elementor, customized CSS elements, and enhanced CMS capabilities using ACF, Custom Post Types, and dynamic templates.

Moonlit Media, Remote — Contract Designer

Aug 2015 – Current

- Created wireframes for marketing and ecommerce sites, crafting high-fidelity prototypes in line with established web styles.
- Crafted custom logos and intricate illustrations across diverse industries.

U-Haul International, Phoenix, AZ — UI Designer

May 2014 – Jul 2020

- Designed responsive web mock-ups and home page/redesigns in an agile environment.
- Conducted comprehensive UI/UX research leading to effective UX solutions.
- Produced prototypes from wireframes for processes and designs, while also crafting infographics, icons, and web assets for internal use.

U-Haul International, Phoenix, AZ — UI Designer

May 2014 – Jul 2020

- Created logos, branding materials, and t-shirt designs for local businesses and YouTube channels.
- Designed and developed WordPress sites, including assets, for clients such as El Paso Baptist Clinic and Tartopper.com.
- Produced commissioned paintings, pet portraits, and digital prints.
